The Parel facility had 2 centres with 14 and 16 units and was leased to us by the Indian Cancer Society(ICS) in 2009 and 2010 respectively and selflessly served children

Unfortunately, the premises are no longer available to us and we have vacated as of 30th June 2018. Many of you have been strong partners in our progress and we can't thank you enough for the dedicated assistance you have given us. We will continue to put in effort to ensure all children are accommodated at alternate centres till we establish new facilities. You can reach us at The Cotton Green Centres on 022 23515174 or on 022 24711621 at the Global Hospital Centres in Parel.
